SPECIAL REPORT:
THE BOMBHELL BATTLE PLAN: HOW TO DEFEND AGAINST THE IRS' SECRET WEAPON

For the past 36 years we have been encouraged by the Federal government to take cash from the top line of our income and stash it away for the future. Along the way we have assumed all of the investment risk. At retirement a tax bomb explodes. In other words we have created an IOU to the IRS! In *The Bombshell Battle Plan* you will discover little known tactics that will teach you how to best preserve what is most likely your largest asset, your retirement accounts.

LEGAL AUDIT OF YOUR ESTATE PLANNING DOCUMENTS:

\$500.

Included in your Suite is a legal review of your estate planning documents by **The Durfee Law Group**, as well as a follow-up conference. The following questions will be answered in the review:

- Does your existing plan account for changes in your family or finances?
- Is your estate plan accomplishing your current objectives?
- Are all your assets, properties, businesses and financial accounts owned by a Trust?
- Do your existing documents need to be reviewed or updated?
- Is your estate protected from your family's future creditors, divorces, medical costs, or other crisis events?
- Does your estate plan permit future generations to consume or destroy their inheritance?
- Does your estate plan take advantage of the most current Trust technology that the law permits, providing "Dynasty Planning?"
- Does your plan have a way to pass on your values with your wealth?
- Does your current plan minimize estate taxes for multiple generations?
- Does your estate plan have a Protector?
- Does your plan prevent litigation and provide a way to avoid and resolve disputes outside of the courtroom?
- Does your estate plan have all the tools that future generations will need to protect themselves and your wealth?
